STATINTL

Mr. Houston talked to me about ~~this~~  
before he left and stated there appeared to  
no rush about it in view of the desirability  
of letting things settle until the new  
administration got squared away.

He suggested my reading the Commo. Act  
of 1934 which I have done and then talking to  
Mr. Tate at State Dept. Legal Counsel.

Have you any suggestions?
